Organisation's Announcement

With mixed emotions, I would like to announce that having a successful stint of 6 years in Wool Research Association, Shri. K.K. Misra is superannuating on 31st March, 2025. On behalf of the organisation, I would like to express my sincere appreciation for his valuable contribution to our organisation during his tenure.

The years he has worked here has been marked as tough and he has shown courage to drive through those difficult times.

During his career he has established himself as an astute professional having a finer balance of technical acumen as well as superlative leadership ability.

Even in the mist of turbulent Corona time he was able to sail through due to his dedication, discipline and hard work. We all are grateful for his contribution.

We at Wool Research Association (WRA) extend our heartfelt gratitude to Mr. Misra for years of exemplary services. He is truly a dedicated person and will certainly be missed after his retirement.

Please join me in wishing him all the very best in his new inning.

(Harish Chatterjee)
